3. **What are the GUI components of Windows 10?**

_____

_____

_____

4. **What are the security measures provided for your computer system?**

_____

_____

_____

5. Name a few well-known program threats.

_____

_____

_____

Key Learning Outcomes:

1. Windows 10 addresses any shortcomings in the user interface introduced in Windows 8.

2. A few key features of Windows 10 are:

    - Windows Search
    - Windows File Transfer
    - Windows Updates
    - Windows Taskbar
    - Remote Desktop Connection

3. System threats include Worm, Port Scanning and Denial of Service.

4. About 76.56% of total users use Windows Operating System, which makes it a popular OS.
